LIVE & PERFORMING VARIABLES

TeamVinh has been at it for quite some time in terms of Trial & Error. Research & Development.

We exhaustively researched and tried everything under the sun.

Yeah, you've heard that before too. But NO, not like this.

This is Wall Street caliber.

As a seasoned business advisor with many years of experience, I hereby state that I've never worked on anything this innovative and pioneering...in all of my career and life. I've proudly founded it, and we are intensively preparing to enter the market and deliver it to the world...IN A MATTER OF A FEW WEEKS!

The **variable** that is uniquely different now is that we are using live and working component (a top Salesman that is performing). **Call Com Inc. (CCI) is the largest call center in the Philippines.** Its call Agents and its energies have been mostly channeled to providing great customer service as an outsource to other small and large corporations.

We all know the lingo. TeamVinh has a Marketing "**SWAT**" (**S**pecial **W**eapons & **T**actics) and a "**MBF**" (**M**arketing **B**attle **F**ormation). It's all known. And yes, this PSI Program clearly rises to the top.

We are using **LIVE and a PERFORMING** variable, which is already a success at our "beta" program at the www.4s2s.com website. The 10 PSI Agents is currently producing \$3,000 in gross sales per day. Since our agents are positioned strategically in the (Philippines), the Cost-To-Gross-Sales-Ratio is about 20% or 1/5th of the gross sales, which is absolute fantastic.

SOON, TEAMVINH WILL HAVE OUR PSI AGENTS WORKING FOR YOU!

And generating sales directly for YOUR account!

Our Exclusive Partner: Call Com Inc. is 4 years old, and has spent a boat load into the infrastructure. Generated over \$7 Million in sales the last fiscal year. Is poised to do well over \$40 Million in 2010. We are currently valued at over \$10 Million collectively and BEFORE the PSI Implementation.

Although we naturally expect competition, we have no fear of losing ground on being FIRST and way ahead because of TeamVinh's Dynamic Forces are in place. We have been working along side CCI developing the elements for over a year now. TeamVinh and CCI have now merged to **kill any potential competition**. If somebody has the million\$ to spend into the infrastructure, they will still need a lot of time to set it all up, train, etc. etc. etc. By the time they are open for business, TeamVinh will already be out of orbit.

Further, with our Partner's proprietary methods of training TeamVinh PSI Agents, along with it being offshore in the Philippines, we are set to be #1, and plan to stay there for a long time.

Corporate Competition is an Art.
 TeamVinh does not “compete”.
 We CREATE.

The Beta/“Prototype” stage has been completed per 4s2s.com, and it is a success.
WE ARE PREPARING FOR OFFICIAL LAUNCH IN UNDER 30 DAYS...
 We are going to blow the Network Marketing Industry out of the water and never look back.
This is no longer a game of "Speculation".
But a game of PREPARATION.

LET’S GET RIGHT TO THE VITAL POINT.

The Network Marketing Industry is now well known.
 It’s endorsed by all the top Billionaires (*Gates, Trump, Clinton, Buffet, etc.*).
 It’s a household thing now.

However; that’s not the point.
 We know it can make money IF you are a TOP SALESMAN;
 And do it progressively to achieve Revenue “Combustion”, and *propel* your business FORWARD.
 But how many can achieve this? How many top Salesman are really out there???

Network Marketing is going to be a Trillion\$ Industry.
WE AGREE.

But to well over 95% of the PEOPLE, we see a Trillion\$ PROBLEM.

HERE ARE THE FACTS;

MLM COMPANY	Approximate percentage of recruiting MLM participants who LOSE MONEY ⁴ (<i>spend more than they receive</i>)	Approx. percentage who realize a profit ⁴ after all expenses
AMWAY/QUIXTAR	99.99%	0.01%

We are going to be able to help a lot of people change their lives.

Come join us. Help us get the message out.

We are here. LIVE. Willing. Able.

GAME PLAN

OUR INDUSTRY:	Network Marketing!
MARKET CAP:	\$Trillion+++
OUR STANCE:	To serve the 95%(+) of the world that CANNOT SELL.
OUR VEHICLE:	TEAMVINH.COM :::Dynamic Marketing Medium Minnesota, United States
OUR "S.W.A.T.":	PROFESSIONAL SALESMAN INTERNATIONAL (PSI)
OUR PARTNER:	Call Com Inc., Angeles Philippines (Largest)
OUR COMPETITION:	ZERO... "BE MY GUEST!" (AT THIS MOMENT)
OUR MLM PARTNER:	JMG-NETWORTH, Minnesota, United States

OUR REALITY;

The Global Population took thousands of years to achieve a current 6.801 Billion on Earth.

It is expected to DOUBLE within just the next 100 years. This is staggering!

TeamVinh PSI applies to every single one of them.

>>>Internet TRAFFIC Velocity is even higher than that.

>>>Networking Marketing Velocity will be about the same...

BECAUSE everyone is using the Internet as its #1 tool for COMMUNICATION.

Common sense.

INSIGHT & SUMMARY:

- 1) We have carefully done our research. It took us over a year. We hand selected each corporate “ingredient” above to create a breathtaking & pioneering concept, and forged it into reality. We named it “PSI”. The Beta/Prototype per 4s2s.com is working live and well. Even as we speak. We are implementing all relevant and non-arbitrary components and using only working and performing variables.
- 2) Because TeamVinh wants to maximize its revenue(s) potential. PSI will work best with a new, SMALL, Quality MLM company. Think about it, if we go to a giant called “AMWAY”, we will definitely make big dollars on the PSI Revenues, but we will have missed the whole glory of MLM because “*EVERYONE and their Mother’s have heard of AMWAY/Quickstar*” – yeah right! 😊
- 3) So think of TeamVinh PSI as the “Gun”, and the network marketing company the “Bullet”. It needs both to work. And since we can kill two birds (revenues) with one “bullet”, that is exactly what we are going to do. We will NOT go with a larger company.

So we qualified the company **JMG-NETWORTH**, which is headed by self made Millionaire: Paul Jones, CEO. Since Paul has made his first million\$ in Network Marketing, he is very seasoned in the industry. It took them 4 years and million\$ to develop JMG. They launched last October 2008. We know the Owners personally, and they are in our back yards, Minnesota, USA. Further, they are of quality. Some of JMG’s financial products are adopted by Fortune 500 giant 3M (Minnesota Corporation). Paul Jones is also on our local TV Channel 4 (WCCO) regularly for his finance contributions to college kids.

Our Partner Adam is in business with Paul Jones also. Thus, we got timely news of THEIR merger activity going on right now with a larger company, which is in finalization mode right now. **BUT THE NEW LARGER DOWNLINE HAS NOT BEEN MERGED – YET.** It couldn’t have been better TIMING for TeamVinh and for YOU.

With the close relationship we have with the Partners of JMG, whom are privy to TeamVinh’s energies going on right now. JMG is in the process of their Merger. TeamVinh and Call Com Inc. has completed ours. JMG is accommodating our vision. And today, we just triggered a Merger dialogue with JMG. Complete synergy.

Folks, this is Network Marketing “Symphony” at its best.

Everything is coming together beautifully.

The entire TeamVinh & Call Com Inc., along with JMG will be working hand in hand to deliver a breathtaking (direly needed) service to a huge Industry. PSI.

Since a couple weeks ago, TeamVinh has informed our Leader Board and VET Members of PSI & JMG. We are moving aggressively registering new members. The velocity is starting to pick up more and more as people are becoming more and more aware...**of an awakening Giant.**

- 4) **Therefore: Getting it into the market place has been TRIGGERED.** Just the talks of PSI has produced some major excitement. It even “resurrected” many of the MLM “VETS” that have seen it all, highly skeptical, and believes in “nothing”. They are helping us to really spread the news.
- 5) **Behind the scenes;** We have the first 20 PSI Agents getting ready for the TeamVinh “battle”. This week, we are going to “LOAD” our TeamVinh PSI Agents with the JMG “Bullets”. 😊 *Perfect lingo. I love it.* As our PSI Agents is directed to learn and JMG “Trained”. They will then create the precision sales material to start “firing away” for the sales and closes.

- 6) By end of this month, with TeamVinh's current recruiting activities in getting LIVE members signing up (as we speak), and after CCI's merging of its Beta Downline to TeamVinh, we will have about a thousand people in just under a month of promotion.

This will be record breaking velocity. *Read that again.*

NO ONE IN TOWN WILL BE ABLE TO BEAT THIS RECORD.

But that is not all. We have only just begun.

This is JET FUEL. Not methanol!

Also, after JMG's Downline merger finalizes (*Downline connects with additional Upline Forces*);

Hundreds and hundreds more paying members will spill under all of us.

- 7) **TeamVinh...will then Ignite PSI... and completely unleash it to the market place FIRST.**

It will be breathtaking as this unfolds. Huge velocity. Optimum Duplication.

The Essence of Network Marketing. The rest will be history.

STOP!

Think about this for a second. Let's first admit this:::

We ALL want to make as much MONEY as quickly as possible with the lowest amount of risk!

Do you realize what you've got with TeamVinh???

Do you realize how much trial and error it took to get us to where we are at RIGHT NOW?

It's only a matter of TIME before TeamVinh.com's message and concept gets more and more refined/Condensed, for accelerated/Simplified COMPREHENSION of our existence.

Quicker Comprehension of PSI = Faster Conversions = More and More VELOCITY.

Glorious.

VELOCITY is not just an idea and obsession of mine; I do consider it an obligation to all of TeamVinh.

In ANY business, the more Velocity, the better!

And in THIS business, it means that much more.

For the first time in history, with TeamVinh PSI, you can have a top Salesman working directly for YOUR account. And with every member repeating the same process, it is **DUPLICATION at its optimum level.**

In the traditional world, if you don't WORK your business, and SELL, your business will die. In TeamVinh's world, you being the Salesman is NOT required and is the last thing you should be doing. Because that is like trying to fix your own car when you know nothing about cars. Leave it up to the Pros. Leave it to TeamVinh PSI. ***We are the only one in the World whom can say this.***

You will have the ability to empower yourselves with a TeamVinh PSI Agent(s).

Working for you around the clock. 24/7. Closing sales for you. Meeting the numbers. Building your Downline. Frontline Commissions. Residual income. **And putting money in your pocket.**

I strongly urge you to attend our upcoming Press Release and Seminar to share along with our “Plutonium” energies that’s flowing through the veins of TeamVinh right now. I will be there personally. Chairman & Founder of TeamVinh.com - I won’t miss my flight this time! Along with Paul Jones, CEO of JMG-NETWORTH. All the heads of the Operations will be there. Tom Green, CEO of Call Com Inc. will be patching in live via internet Webinar and phone. This will be a lot of fun. Do not miss this.
